

Radiation Therapy Sim & Consult Patient Questionnaire

Please ask all these questions at the time of Sim & Consultation to get a better understanding of health history as it pertains to radiation therapy. If the patient answers Yes to any of these questions, they may need additional support during their treatment, and you may need to consult with the radiation oncologist, Dermatherapies Clinical Support Staff, and dermatologist before treatment begins.

Yes, answers write **Y** in the box & elaborate in the lines provided. No answers write **N** in the box.

PLEASE ASK THESE QUESTIONS FOR ANY POSSIBLE RADIATION THERAPY RECIPIENT

- | | |
